

PARENTING WITH THE BRAIN IN MIND

Tuesday, November 21st

6:00 PM

Tulpehocken Area Middle School/High School

“Understanding your Child’s
Challenging Behaviors”

Presented by Josh MacNeill, MEd

Josh MacNeill, CEO of InMind Services will discuss how a basic understanding of the brain can lead to valuable insights into children's behavior, and how this knowledge can pave the way for parenting practices that honors neural development and fosters positive relationships.
